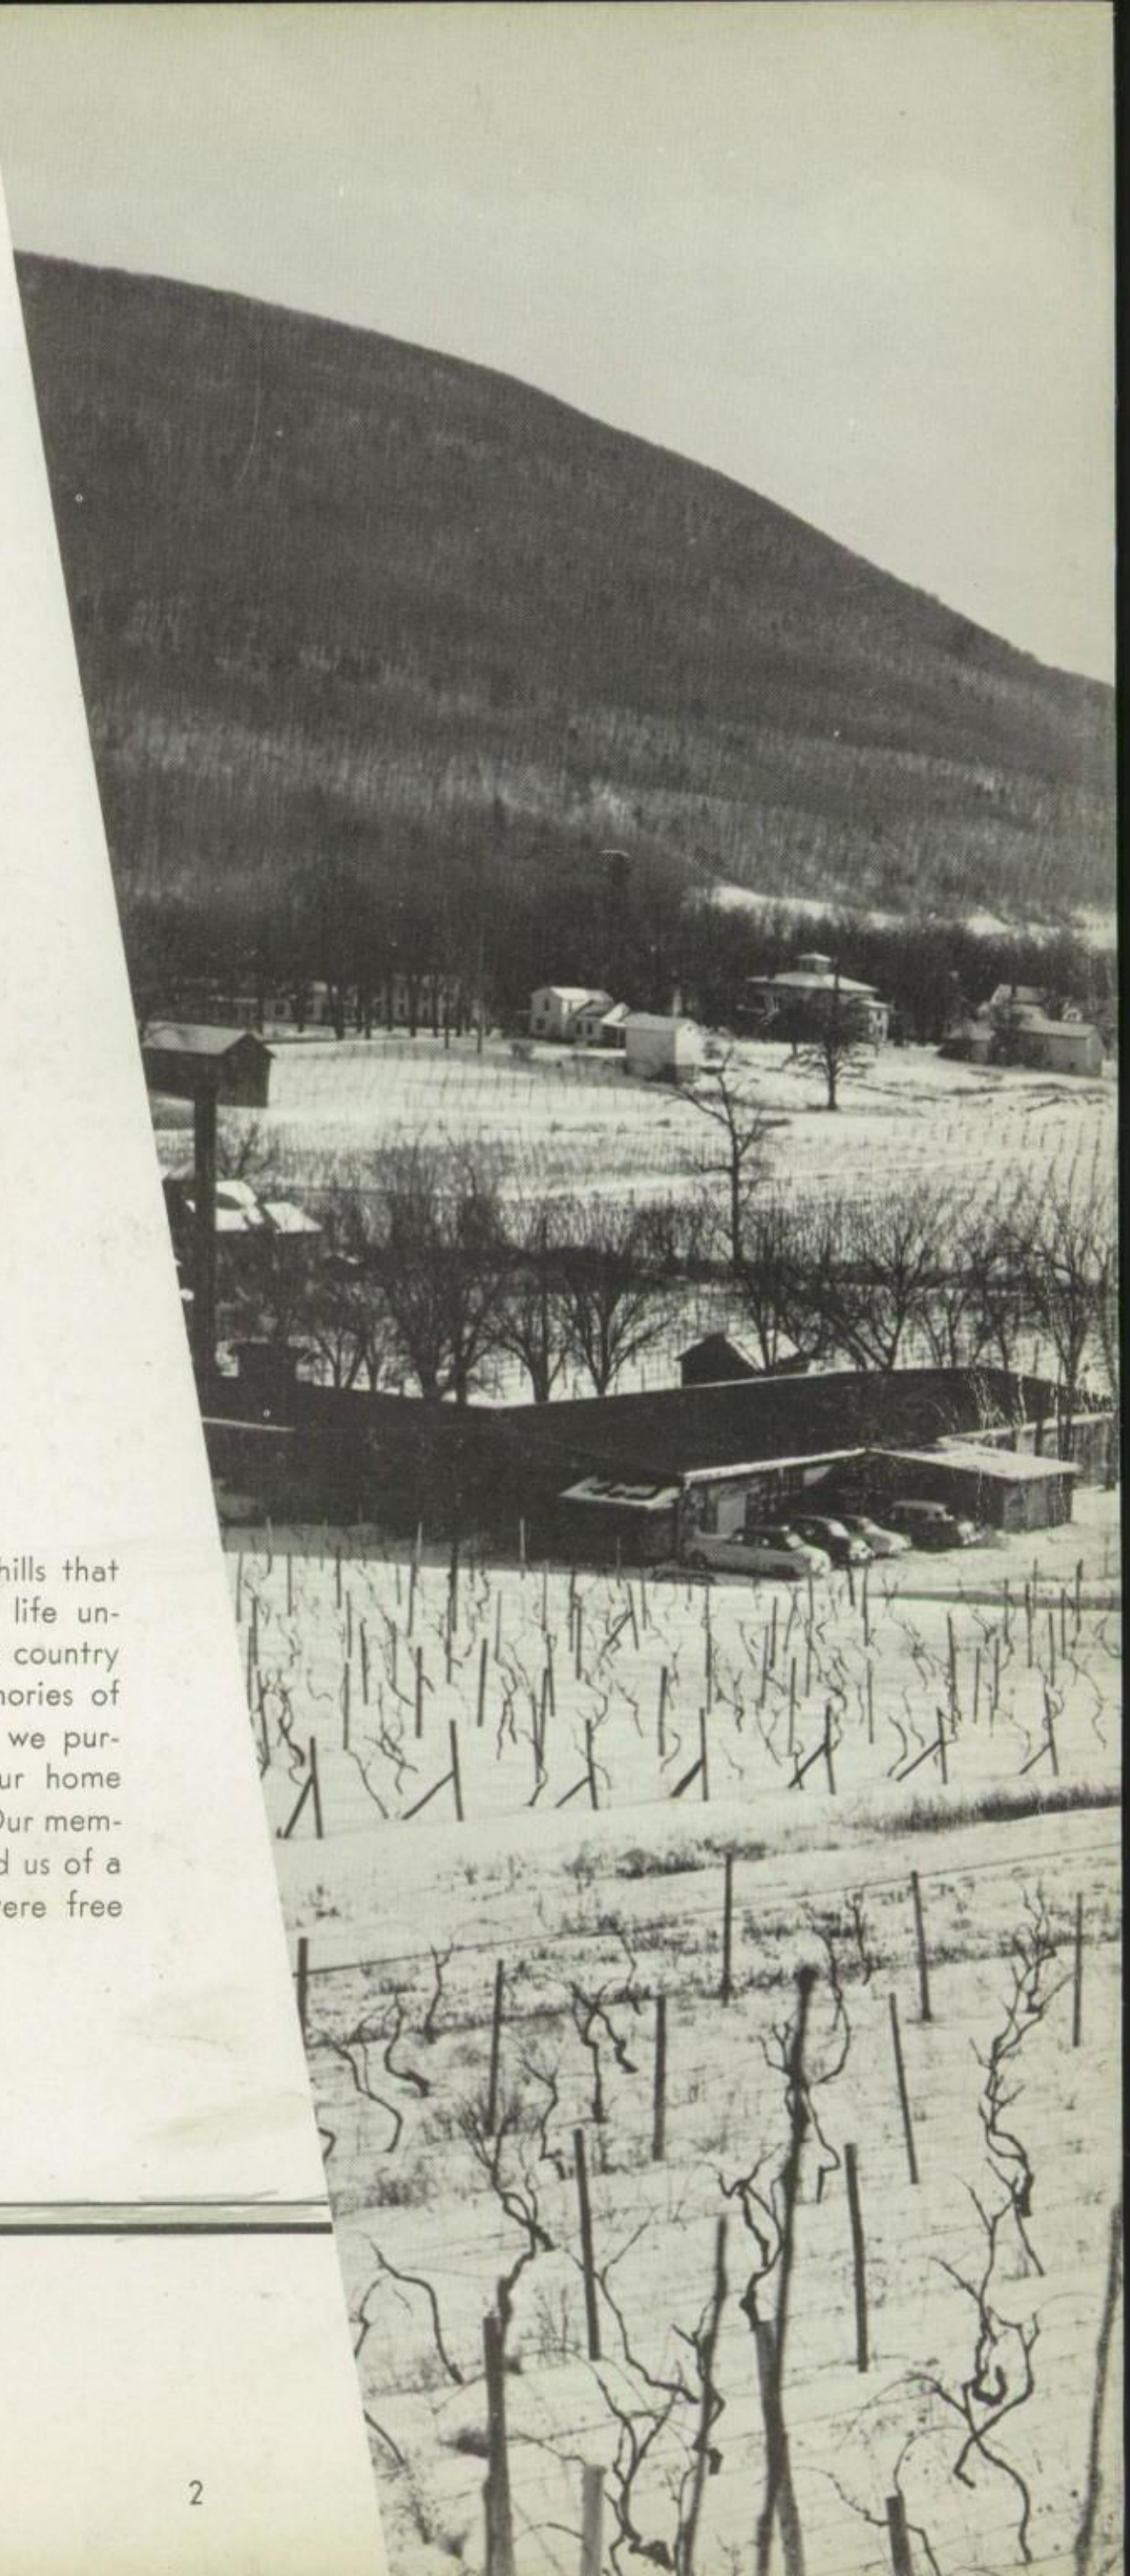
Let our Rally Stir the Valley



It was within these wooded hills that the happy days of our school life unfolded. The beauty of this lake country will remain forever in the memories of Neapolitan graduates, whether we pursue our life's work near to our home valley or in some distant city. Our memories are always there to remind us of a time in our life when cares were free and joys were plentiful.

FOREWORD

When we sing our Alma Mater we think of Naples, its valley, the surrounding hills, and the part that each has played in the lives of the students and of our school.

Our Alma Mater also sings of the role that our school has played in the lives of each of us. The Board of Education, administration, and faculty have guided us through our formative years, and have shown us how to do a job and to do it well. Along with this they are our friends and advisers. They help and encourage us to take on the responsibilities that the educational organizations offer.

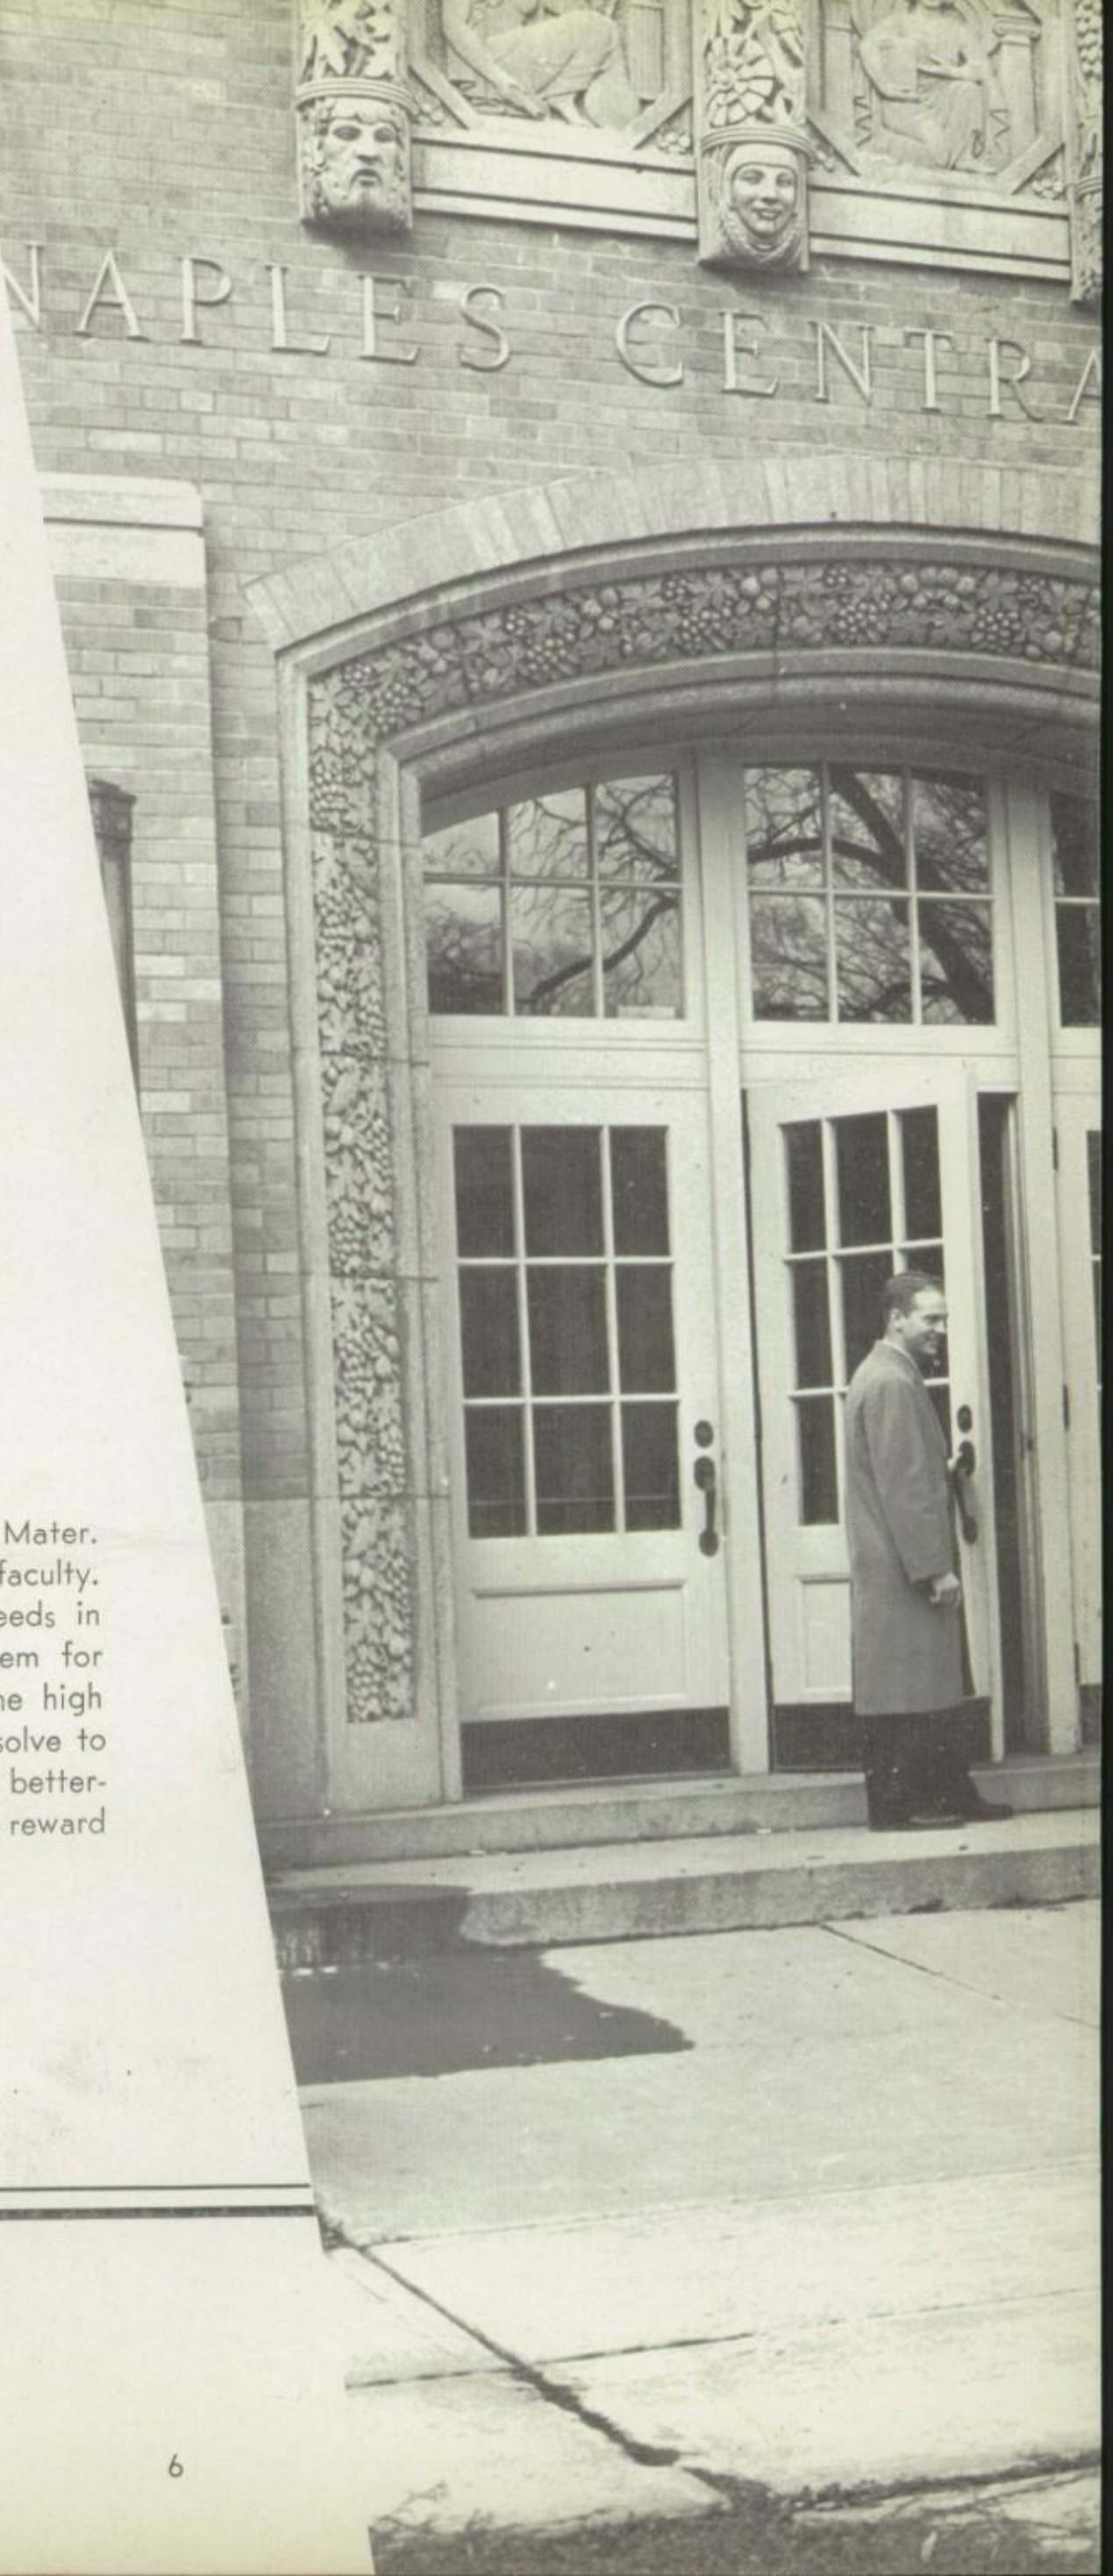
Too, Alma Mater sings of sports and students enjoying together her many activities both in work and play.

OUR ALMA MATER

Forward Naples!
Make her maples
Quiver with our cheer.
Let our rally
Stir the valley,
Victory is near!
Keep the Green and White advancing
Let our colors fly;
So we'll honor Alma Mater,
Dear old Naples High.

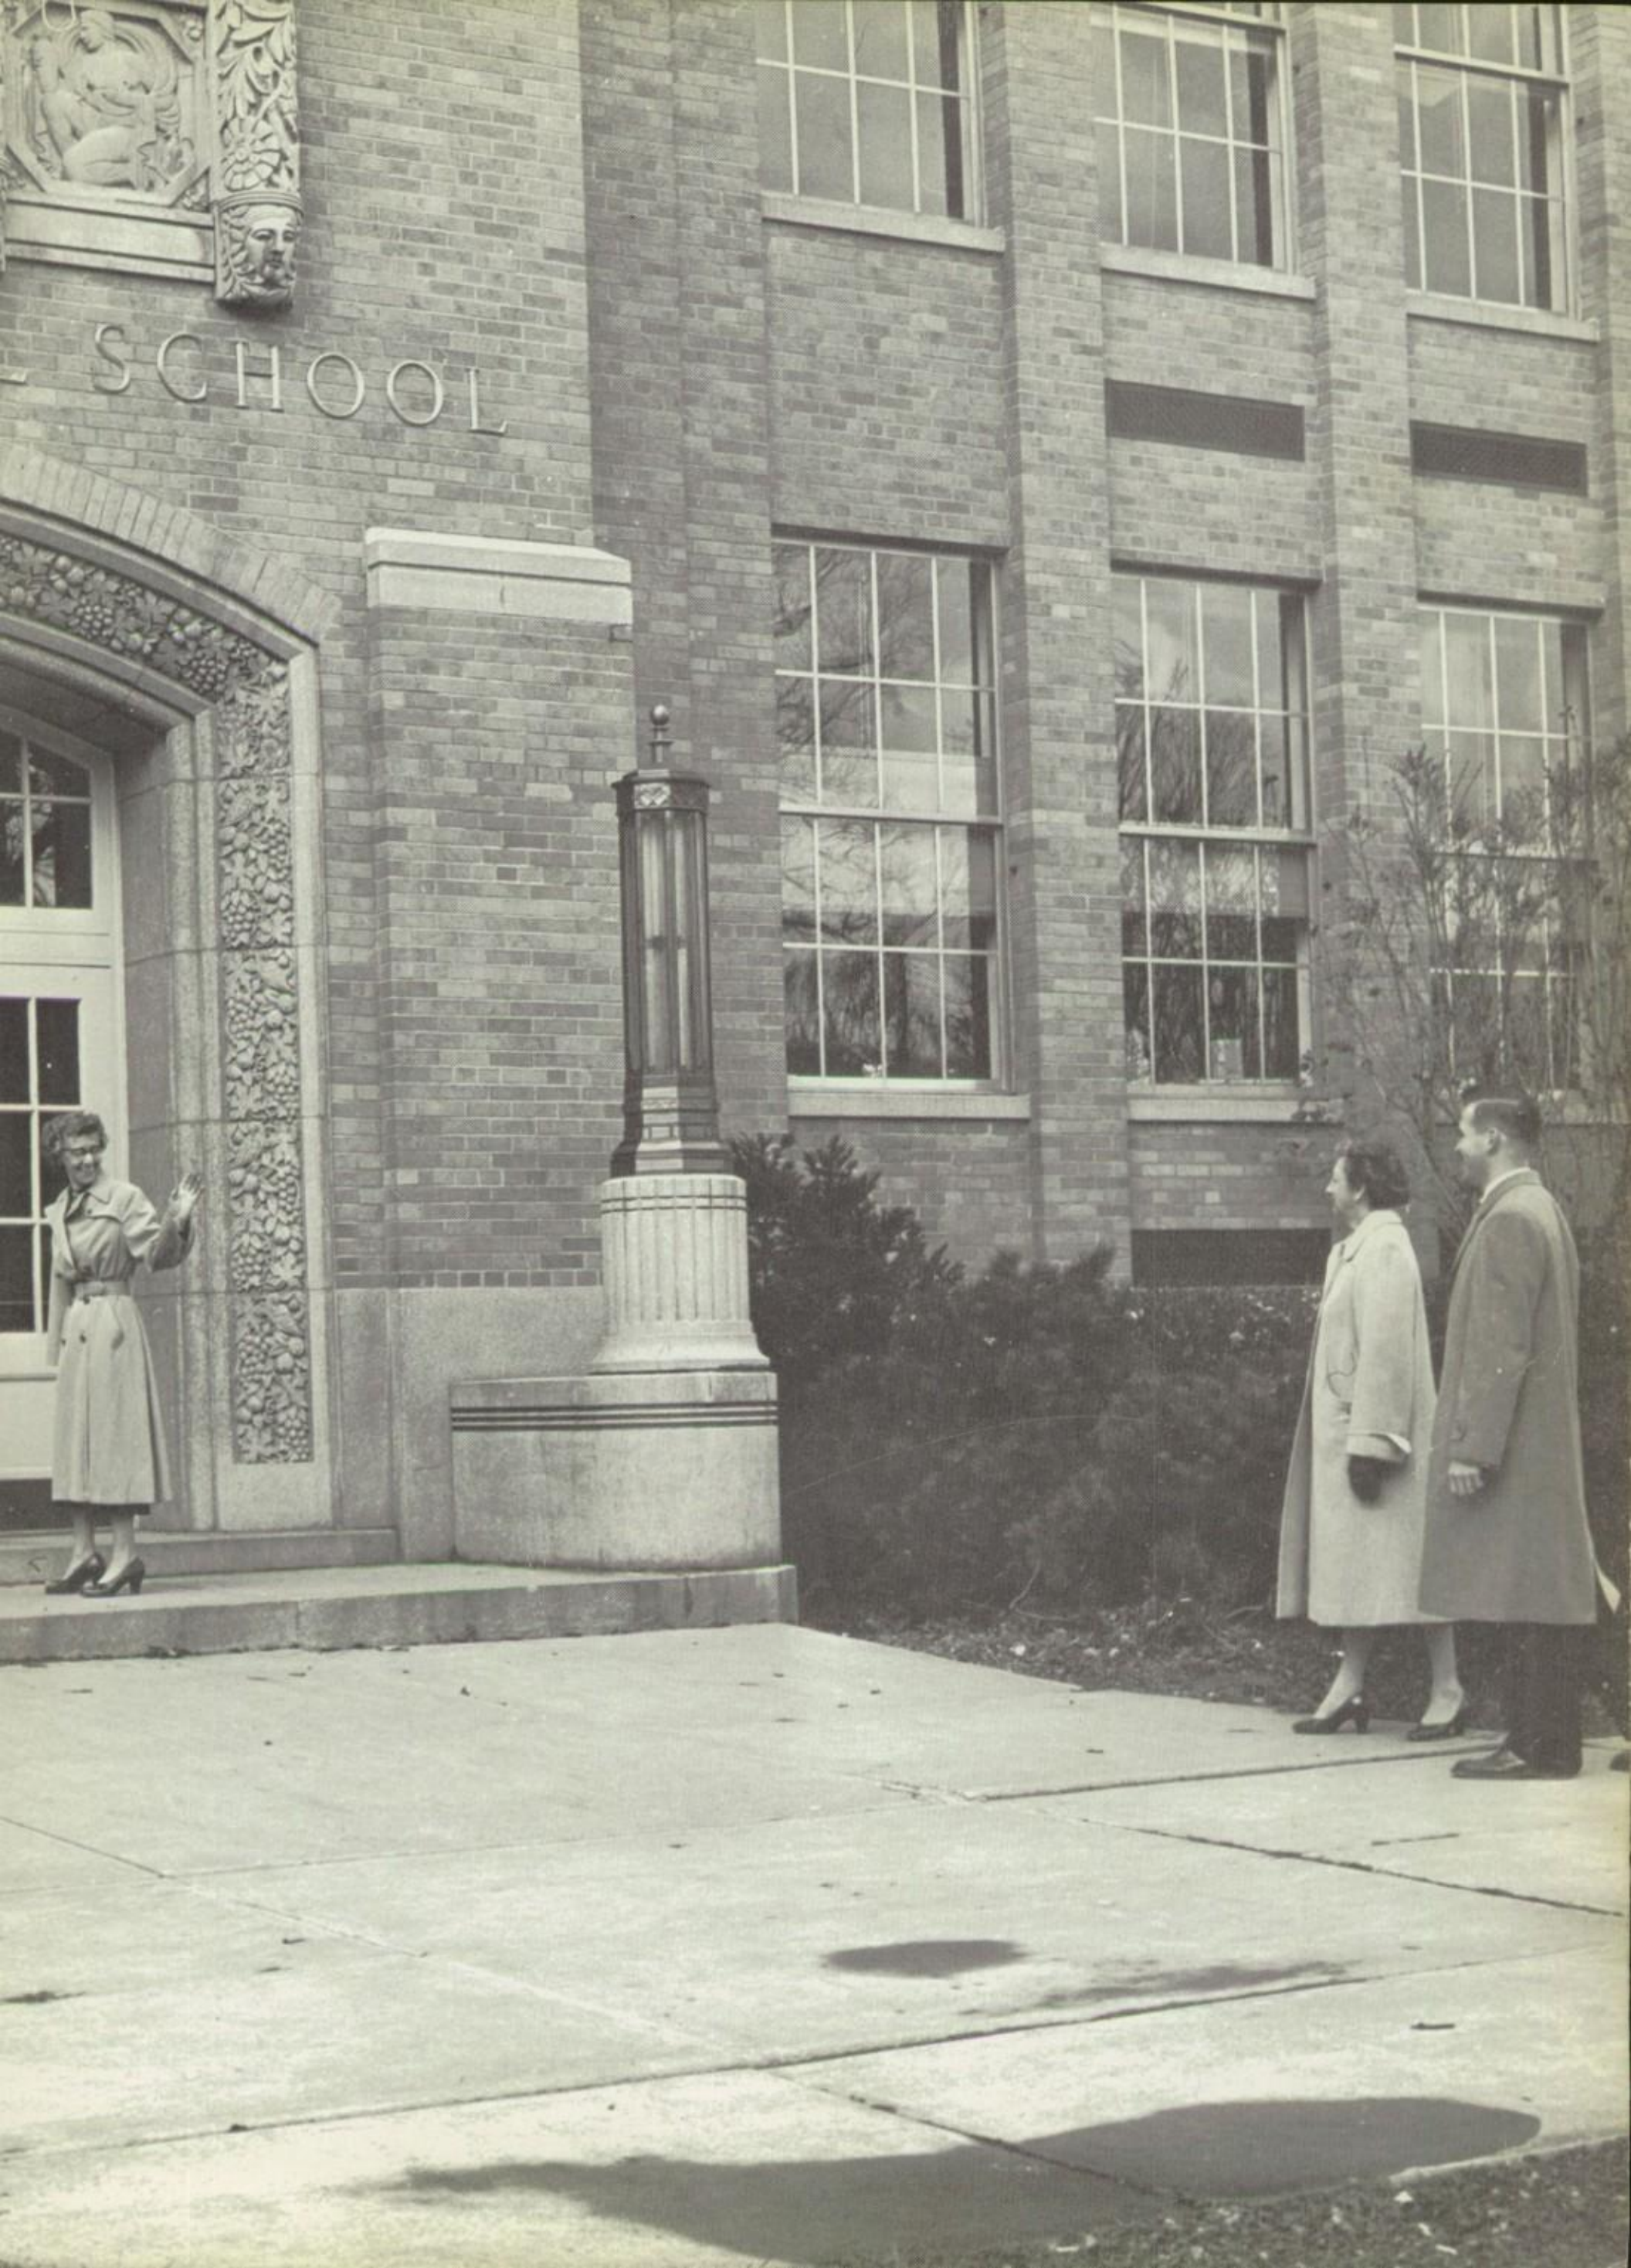
Forward Naples!
Forward Naples!
Tally one for her.
Cut another notch for Naples,
Let us not deter.
For her honor
We are striving,
Her we'll glorify.
Shout aloud for Alma Mater
Dear old Naples High.

Kendrick Shedd



So we'll Honor Alma Mater

Yes, we will honor our Alma Mater. And most of all we'll honor its faculty. By our accomplishments and deeds in our later life we can repay them for their patience, guidance and the high goals they set for us. Let us resolve to use what they taught us for the betterment of mankind. What greater reward could we give them?



SCHOOL

Mr. Koby, Mr. Landino, Mr. Perry, Mr. Standish, Mr. Bassett, Mr. Sears, Mr. Howse.

The labors of our BOARD OF EDUCATION are greatly appreciated by students and faculty. These men give of their time to solve the many and varied administration problems. Many thanks for a job well done!

Jane, with her pleasing personality and efficient ways, has become a friend and helper to every student and organization.

The ADMINISTRATION tackles the job of running the school . . .

The job ot leading our school falls on the shoulders of Mr. Thomas, our capable and efficient principal.

H O, O , and CO are discussed fully in our physics classes. These experiments help to clarify the discussions.

Miss Stemple enthusiastically shows our future bookkeepers how to fill out checks. They will find this advice both useful and helpful.

"What Democratic candidate would give "Ike" the keenest competition?" asks Mrs. Gurnee, while discussing current events in World History Class.

Several members of the English IV class eagerly listen to Miss Shay as she helps them find reference material on their senior essays. Mrs. Dean stands ready to give assistance.

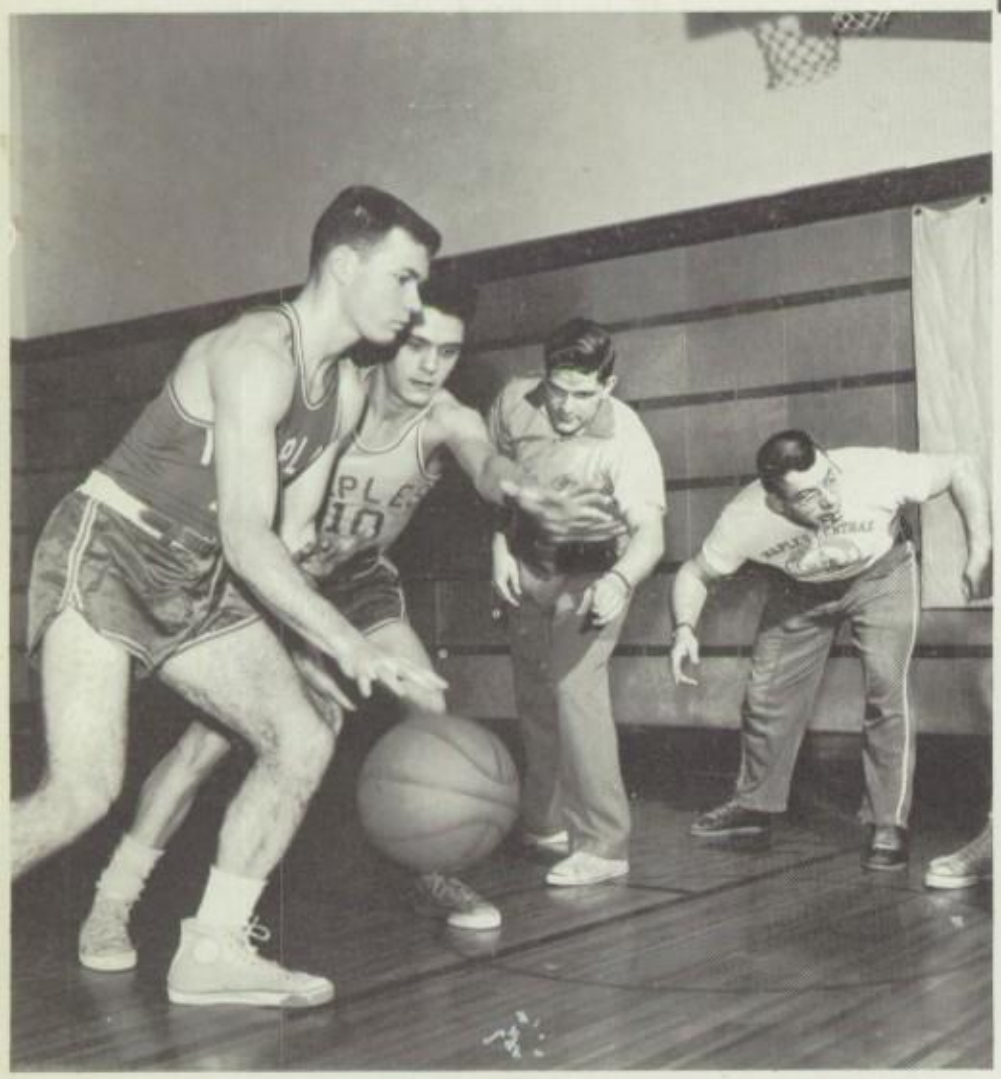
Mr. King, Guidance director, discusses job opportunities with B. Denome and A. Richards.

A few of the French students eagerly show Mrs. Gray their Christmas gifts from French pen pals.

Mrs. Frederick, student council adviser, is discussing with V. Seager, R. Konz, and P. Chapman how well the monitor system has been accepted in our school.

Sewing seems to be the main interest of these future homemakers. Mrs. Seager is showing them examples of different stitches.



Mr. Hynes, Junior Varsity coach, and Mr. Clark, Varsity coach, watch the players closely while they referee a scrimmage game.

Mr. Richter bravely starts out a new class in teaching safe driving to teenagers.

We admire our STUDENT COUNCIL

Our Student Council members represent every phase of school life. They are our friends, whose judgement we have learned to trust and respect.

Through the Council our students have attained a standard of student government which helps them to take responsibilities and promote such projects as the monitor system, sponsored by this group.

The Council members are not only the leaders of the school but also helpers whenever the need arises. They are always on hand to help in emergencies and are willing to step in on short notice.

And respect our HONOR SOCIETY

Membership in National Honor Society is the most coveted honor a student of our school can receive. The Naples Central School Chapter was organized in 1951 but it already holds a high place in the minds of all of us.

The qualifications for membership are character, leadership, scholarship, service and an average of at least 85%. This year students from Haverling High School inducted our new members.

The Honor Society doesn't have many activities but its members are always ready to lend a helping hand here and there wherever it is needed. They acted as guides for the Career Day program held at our school this year.

In these smiling faces a glimpse of tomorrow's leaders may be seen.

Weekly deadlines keep NEWS STAFF busy.

The News Staff has been the life line between the school and the people of the surrounding communities. Every week the staff reports a full page of school news in "The Naples Record." At the same time the staff publishes "The Tower Tattler," our school paper. This year photographs have been used for the first time. The newly established journalism class, under the supervision of Mrs. Dean, is helping to train staff members for their reporting duties.

YEARBOOK STAFF

Our Alma Mater urges us to do our best in every phase of our school life, where our yearbook captures in pictures and words every phase of our school life and spirit.

The staff has been under the patient guidance of Mrs. Gray, who has always advised us and shown us how we could better our book.

Concerts keep SENIOR BAND in constant practice

Here is the Naples Band. When a new score is introduced to this organization the halls ring with a combination of pleasant harmony and weird dischord. As time progresses the former reigns and what was once a faltering and vague melody evolves into a work of music fit for the acclaim of any concert audience. Thanks to Mr. Moore.

and scales keep our JUNIOR BAND busy

These, the midgets of music, are to be congratulated for their participation in junior band. When a young student begins study on an instrument he needs more than just the desire to play. He must have a strong determination to progress to the ultimate musical goal in high school, the senior band. The students, pictured here, have that determination. Without it, few would have reached the junior band level. In a few years they'll be sitting tall and proud in the senior band chairs they so well deserve with days of difficult practice behind them, years of musical enjoyment ahead.

Monitors

The monitors, who are representatives of our Student Council, were organized in an attempt to put more responsibility on the shoulders of the student body. These students help in the halls, assemblies, and special events. The success of this system though, is up to the students and they again proved themselves by co-operating completely with the monitors.

F. Jennings, L. Fisher, A. Merklinger, and A. Hanggi.

Visual Aids

The visual aides should not go by unnoticed. They have given their time to learn the operations of our school film projectors. Since a major part of today's educational process is supplemented with films, the job of the visual aide is essential. To them goes a well earned vote of thanks.

Library Club

This club consists of volunteers who help Miss Shay, our librarian. Their duties are to slip and shelve books, check new magazines and keep the library in order. It also sponsors a greater interest among pupils and teachers in the use of books and other library materials to have improved library service.

Senior High Chorus

This is the only organization in our school which helps to develop our vocal talents. We presented a chorus concert in the fall, a pageant during the Christmas season, and a spring festival. Several participated in the annual winter festival at Phelps and the entire chorus attended the spring festival at Middlesex.

One of the highlights of our year was displaying our beautiful new green and white robes. We were all so happy to have our long cherished dream come true.

Musicians and dancers get into the swing of "The Old South."

A large crowd gathers at the punch bowl, for the pause that refreshes.

The lovely queen with her crown of roses and the ladies of her court reign over the dance.

Junior Prom

In keeping with the spirit and tradition of our Alma Mater, the Junior Class presented as their Prom, "The Old South."

With the dreamy music of the "George Tell Quintette," playing in the background the couples found themselves dancing on the veranda of a romantic southern plantation near the banks of the Mississippi River. "The Plantation," a river steamboat, was nestled at the docks on the willow-covered river banks.

A humorous tale brings a chuckle from the members of the head table.

The climax of the play came when Shalimar, faced with either cleaning the school for a month or open confession, chose the latter and said she framed Pamela by planting the money in her purse.

Buzz Bailey gets ready to clobber Ronald Sassoon for trying to horn in on his romance with Pamela Jones when Mr. Ames makes a timely entrance.

With Faversham Lightly looking on, Mrs. Ratchet pointedly tells acting principal, Pamela Jones, that Mr. Tok has taken "me bucket."

OFFICERS

The purpose of the Future Farmers of America is to practice brotherhood, honor rural opportunities and responsibilities and to develop those qualities which a Future Farmer should possess.

Each year the F.F.A. enters in sports with other F.F.A. Clubs. In the winter we play basketball and in the spring softball.

During the year our club has money-making projects. Some of these activities are F.F.A. Fair, F.F.A. and F.H.A. Dance, seed selling, and Father and Son Banquet. Several of the members raise pheasants to earn money.

With our money we buy new sports equipment, have parties, go to see basketball games in Rochester, and this year we helped to buy new F.F.A. jackets for our members. We also made a contribution to the F.F.A. Camp in the Adirondack Mountains. This spring we are planning to start a crop demonstration.

We feel that we have had a very successful year.

FUTURE HOMEMAKERS OF AMERICA

FUTURE HOMEMAKERS face the future with courage and hope.

In November the F.H.A. had a Mother and Daughter Banquet with the program consisting of the initiation of five new members. In December we profited by having a bake sale. We joined forces with the F.F.A. and sponsored a round and square dance in April. A little later we helped the F.F.A. put on their annual banquet. The first part of June saw us giving our own fashion show. We were our own models, modeling the fashions we had made in our homemaking classes. A successful year was completed by the election of a new slate of officers for next year.

Keep the Green and White advancing

The pride of Naples has always been its athletic record and the boys who establish those records. The mark of a school is made by its athletes. May the green and white always wave proudly in victory and defeat for no matter whether you win or lose it's how you play the game that counts.

ACTION

Again, this year, the varsity reached the playoffs. The goal was a third straight championship but circumstances beyond their control stopped the victory march at the finals. Sometimes when a team doesn't quite make the top their previous record is forgotten. It is not that way at Naples. We, the spectators, know how our boys can play and do not let one defeat erase the pride of past victories. As long as Naples lasts likewise may this spirit survive. Defeat, to a team that has known it but a few times, is a difficult thing to take. The boys are winners in both cases.

While our varsity basketball team was on the floor playing hard against the opponents, our cheerleaders were on the sidelines working just as hard to keep the crowd's spirit up.

All through the season they worked and practiced on the old favorite cheers and from time to time presented new and different ones to our student body.

A great deal of the credit for our winning team and school spirit should go to these girls.

When one looks at the varsity's record one wonders just how long they will remain on top. Then with a look at the Junior Varsity's record there is no more wondering. The Junior Varsity, barring a few defeats which they swear were gifts to the other team, have had an equally bright season. What they lacked in finesse they made up in spirit. Here is truly material for the sport arena.

Our Naples Junior High team enjoyed a very successful basketball season. The first game was played early in November against Honeoye.

The team consisted of seventh and eighth graders along with a few sixth graders. Stressing team-work in using zone and man-to-man patterns, the boys won twenty-two out of twenty-three games from area schools. Although lacking in height, our boys had too much speed and ability for other teams.

Among the eighth graders Gary Seager was outstanding, Howie Fleischman led the seventh graders and "Jake" Joseph showed much promise as a sixth grader.

Our scrappy team averaged 70 points per game in completing a very successful season.

Get it over!

Watch the birdie!

Oops!

Be on guard.

Hit the ball lightly.

Watch that ball!

Let's volley for serve.

Over we go!

So that's the way it's done!

Cut another Notch for Naples

When a senior class graduates there is something lost. But this loss is not noticed for long. It is the underclassmen who move into the boots of the departing seniors. They are left to carry on the Naples tradition, to continue cutting those notches. A look at these underclassmen is ample assurance that Naples will continue to advance.

The members of the JUNIOR CLASS have gradually taken on responsibility.

A bake sale started the pennies jingling into the junior treasury followed by a paper drive which was inherited from the seniors. More money soon came rolling in with the pop sales.

In February a spaghetti supper was held. The girls and boys challenged each other on the sale of tickets with losers planning a party for the winners. The girls worked in the kitchen while the boys did a fine job of waiting on table.

Jean Fisher, who returned to Naples from Geneva, gave us a chance to be recognized socially. Jean won a gold wrist watch and a trip to Chicago to attend the 4-H Club Congress. She took these as first prize at the New York State 4-H bread making contest in Syracuse.

Our class rings arrived February 6 and it seemed to brighten us up for a few days. These will be something that we can keep to remind us of our high school years at Naples Central School.

The tradition of the Junior-Senior Banquet and Junior Prom was carried out on June 1.

We owe much of our success to our newly elected advisers for the 55-56 season. Mrs. Seager and Mr. Clark have helped to make our activities a success and we appreciate their guidance very much.

J. Swingle, J. Stafford, J. Williams, M. Lyon, G. Strong, and D. Wheat get together in the Sweet Shoppe for one of the after-school coke sessions.

J. Fisher, center, demonstrates how to make her award-winning Swedish tea rings to W. Borden, P. Chapman, R. Dillon, D. Acomb, B. Bartholomew, and P. Brown.

Advisers Mrs. Seager and Mr. Clark discuss the outcome of the paper drive with G. Hoh, P. Riefer, S. Randall, C. Olney, C. Kapins, R. Harris and A. Richards.

L. Walker, R. Docteur, D. Wright, and R. Tenney utilize the last minute before announcements to get their books for morning classes as E. Fleischman asks S. Lafler and D. Reed if there was an assignment for history.

C. Danome buying pop at a basketball game from her classmates E. Graff, L. Evarts, D. Duclos, K. Conrad, and R. Fox.

W. Standish, B. Wells, G. Scott, P. Watkins, C. Widmer, and B. Orr are busy selecting cards for their class project.

The SOPHOMORE CLASS looks forward to the coming years

When we came into high school as freshmen our goals were not set and most of us were uncertain of the opportunities that a school life offers. We were looking to upper classmen for guidance. But now as sophomores we have been able to straighten out many of our major problems. We have become more involved in groups and organizations and have been able to pattern ourselves as individuals. As sophomores we have found each of us achieving his own goal. By giving our assistance and cooperation we have been able to prove ourselves an important part of our Alma Mater.

And last but not least we meet the FRESHMEN.

A wonderful day it was when we freshmen took our first step towards high school life although, we must admit, we experienced the usual pangs of "greenitis" by arriving in the wrong classrooms. But, considering everything, we got off to a flying start thanks to our grand adviser, Mr. Hynes. We experienced great success with our first high school project, a pancake supper. As we end our first year, we now feel that we are really a part of senior high school

Shout aloud for Alma Mater Dear old Naples High

Here are the finished products, the work of twelve years wrapped up in one eager bundle. The school has done its job. It is up to these, the seniors to prove whether those years have been well spent. And as success comes to each senior may they all shout aloud for their Alma Mater with the gratitude that will be in the hearts of every one of them.

Better Foods for Young America

Today, school cafeteria buyers have found that good food costs less, especially in feeding children and teenagers. There is no waste in serving food of the same fine quality that is featured in the leading hotels and restaurants. There is no extra cost for the assurance gained by serving food of the same purity as that served by the most exacting hospital.

Sexton foods are prepared exclusively for those who serve many people each day. This specialization makes dealing at Sexton's pleasant, convenient and satisfying. Sixty-three years of dependable service are back of every purchase.

A Sexton salesman calls in your town at least every other week. If he has not been in to see you, please drop us a card and we will have him call.
